MESSAGE FROM THE PRESIDENT

Dear Great Mind,

Welcome to Malamin College. Thank you for choosing Malamin College as a place where you will learn and grow in education and wisdom.

My name is David Iornem PhD. I am the new proprietor of Malamin College because my company, the New Idea Group has acquired the Malamin schools. I come from a background of sound educational and Christian upbringing which has dominated and shaped my philosophy in all that I do. I am an experienced manager and management consultant. I have had a stint in politics, having served the late Aker Aku (former Governor of Benue State of Nigeria) as Adviser and having been a Senator of the Federal Republic of Nigeria. I have a strong passion for democratizing and improving education. Our goal is to deploy Information and Communication Technology (ICT) and Blended learning strategies to achieve lofty goals.

The Board of Governors and all the staff are committed to giving you their best. We are all committed to working closely with all parents/guardians to bring up the children of Malamin College as shining examples of life-long learners.

The former owners of Malamin College, Honourable Timothy Aondoakaa and his wife, the Honourable Dr. Mrs. Patricia Aondoakaa, worked extremely hard to establish and foster excellent institutions. We are therefore committed to building on the good works and high standards which the founders had set from the beginning, no half measures.

Once again, I extend my appreciation to your parents for entrusting you into our care. We promise that, God helping us, we shall reciprocate that faith in equal measure.

God bless you.

SENATOR PROFESSOR DAVID IORNEM

PRESIDENT- New Idea Group.
