### Message from PROFESSOR DAVID IORNEM

**Professor David Iornem**  
President (Malamin Schools)

On behalf of the staff and students of the Malamin Schools and Colleges, I want to appreciate parents for the great support they are providing to make learning easy. We all know that things are not easy at this time. Prices are rising while money is scarce. Despite this situation, you the parents are paying school fees steadily, and we greatly appreciate this, Please keep it up. On our part, we are continuing with the upgrading of facilities to make learning easier. In one year's time, you will not recognise Malamin College again. This is a promise.

Thank you.
